

MARKET TRACKER™

MARKET TRACKER - November 2007

Welcome to Market Tracker, an exclusive Prudential report that informs you of residential real estate sales activity and regional trends. It complements the Property Investment Profile (PIP) to give you a broader look at the real estate market. The Market Summary below offers a look at sales activity for the prior month and year, along with current year to date statistics. The graphs provide four different aspects of the real estate market for the specific zip code. Please contact me if you would like more information on current market trends.
