This chart includes data on listings "sold", sales made or total units closed on attached and detached residential listings of all office locations and independent offices of each multi-office or franchise organization (each a "Brand") identified for the geographic area and time period indicated, according to data provided by Midwest Real Estate Data, LLC (MRED) and aggregated by RE/MAX Northern Illinois. Provision and aggregation of data accurately depends upon the accuracy of the data provided to MRED as well as the identification of that data as an affiliate of a larger Brand. Accordingly, neither MRED nor RE/MAX Northern Illinois guarantees the completeness or accuracy of the results as displayed above. This graph lists up to the top six competitors in the market indicated. Ties in sixth place may not be displayed due to space constraints.
