## PRUDENTIAL NETWORK REALTY MAKES DONATION TO UNITED WAY ON BEHALF OF TEAM

JACKSONVILLE, Florida – In keeping with its commitment to community stewardship, Prudential Network Realty made a holiday gift donation to the United Way in the name of Prudential Network Realty, its real estate professionals, employees and management team.

The donation, matched by Prudential Real Estate Affiliates, was earmarked especially for United Way’s “Helping Students Achieve” program.

“We are fortunate to be in a position to support others in our community and the holidays are a wonderful time to give back to the community that has been so good to us,” said Christy Budnick, executive vice president of Prudential Network Realty. “Not only did the donation make a positive impact on one of the city’s most important charitable resources, but it was also a reminder to all of us about the true meaning of the season – giving to others and supporting the future of our city.”

Prudential Network Realty strives to support education initiatives in the First Coast community. United Way’s “Helping Students Achieve” program helps local children whose academic progress is complicated by abuse, hunger, homelessness and mental and behavioral problems. United Way sponsors programs that provide mentoring, counseling, case management, teen parenting support, after-school activities, tutoring and enrichment activities to help children succeed.
